ABOUT US

With our office located in Doha, Qatar, Abu Zaid Contracting & Services was founded in 2015. We offer you a wide range of maintenance, cleaning, and pest control services. That's not it, though. We are among the best firms in Qatar for providing labor supply. We can help you with every aspect if you're trying to hire a professional workforce. We will assist you at every step of the process, from the shortlisting of candidates to the hiring procedure. We are still going strong after seven years in the business as one of the leading providers of labor in Qatar.
